I envy Peiying. She confessed the feelings in her heart... and loudly confessed her love.

NO: 14
Reverie

My intentions...
I don't dare reveal them to Jason...
What? Who's a Possil?
It's you! Now all the girls are saying, 'I want to ♥'I&@' with you!
Stop being so dramatic! This isn't a Japanese manga!
COWARD! Just say it! What's so scary about it?
There's someone talking inside me? Who is it?
Who? It's me! It's Huisheng...

CLANG
HUISHENG? WHAT'S WRONG?
So.. Sorry! I broke the cup!
BE CAREFUL. DON'T USE YOUR HANDS TO PICK IT UP.
I'LL GET A BROOM. PLEASE WAIT A MOMENT!
Sorry! I just spaced out and broke the cup

Sorry!
Ah! Huisheng! You already apologized about 20 times!
Agreed!
Huisheng, it doesn't really matter now. You already broke Feiyng's cup.
People in love are always nicer
XIAOYUN! YOU DON'T ALWAYS HAVE TO REFER TO ME LIKE THAT!
People in love must be nice or else they'll be called perverts
You!
That sparkly person!
He's always here at this time
Is that person really that beautiful? How curious
LOOK! HE'S OVER THERE!

THEN EVERY-ONE PASSING BY MUST BE LOOKING AT HIM!
EH? HOW?
IT'S YOU, MARCIA?

AH! IT'S HUISHENG! WHAT A CO-INCIDENCE!
MARCIA! WAIT! WAIT!
DON'T BE SO LOUD; EV-ERYONE WILL STARE!
.....
.....
.....
Huisheng! You. know this person?
I guess you can say that
You. you...
Even though you know such a handsome man,
You didn't even introduce him to us! How selfish!
Ah? What?

^ Really wants to fall in love with someone.

WHEN I FOUND JASON, DIDN'T I TELL YOU WHO HE WAS?!
Feiying! Listen to me!
I didn't even know Marcia for ten days, so I didn't have time to introduce you guys
<--Really just met once
Besides, we met under very messy circumstances
And Marcia's looks are very beautiful and his height is also very nice for a man, but...
You can't really look at him as a man!
?

Marcia, this is Yangmu, your Feiying.
This is Xiaoyun and Xiling.
This person is a Foreign Friend who I just met
Marcia, why are you here?
Can't you go back?
DEVIL-LIKE
I was separated from Isaiah.
Isaiah? He's here too?
We planned to come down and play for a bit, but..
we had an argument about clothing

Clo...thing?
Yes! I like to wear that type of clothing!
But Isaiah wouldn't let me!
And then we had a huge fight and separated
.....
.....
Marcia, why do you like to wear those types of clothes?
IMAGINING
Hushang! Don't you think that wearing that will make a person more exciting?

THAT...
Feiying, don't you think you should think about finding another one?
Marcia! You should trust Isaiah's views.
Really?
CLATTER
Ah?
WAH!
Mama!

Don't cry. Please don't cry!
Little girl, don't cry!
WAH! WAH!
Cried even harder
No other choice! It looks like there's only one way to comfort her.

Eh? This is
Marcia's voice...
It's a voice that can transcend time.

This type of voice... It isn't a male's voice or a female's voice.
It is a voice that can melt everything in the heavens.

An angel's voice..

Not crying anymore?
I knew that that would work!
Fortunately, the little girl found her mother, Huisheng!
The uproar in my heart is so violent!
Why? Marcia's singing seemed to have awakened something in my heart

I SAW HIM FIRST! DON'T FIGHT AGAINST ME!
.....
YEAH, RIGHT! WE'LL SETTLE THIS FAIRLY!
DIDN'T YOU GUYS THINK HE LOOKED TOO FEMININE?
DIDN'T YOU WANT SOMEONE NORMAL?
WHAT DID YOU SAY?
FIGHT FAIRLY!
Is that an angel's voice?
What-ever!
Looks can be deceiv-ing!

You are sure that the child who escaped the magic universe sixteen years ago is among humans?
Yes, my Lord That child has blended with the humans to avoid his death.
However..
However...?
That child is with the angels.
Oh? How strange.
She has no demons around her being?

*[T/N: Name translation is being debated over.]

It is strange, there have been no demons seen around her.
How can that be?
King James Francis Sully* is no idiot.
18 years ago the angel enwrapped with light Clairmond ran away to another universe to hide from persecution.
Legend tells that she has somehow obtained "the secret of creation."
"The secret of creation" is the secret of how the world began.
Don't you find it strange?
How can the secret of how the world can be created be in a magic universe?

Shouldn't it be the highest life form of the universe that should know how the universe came to be?
Don't you think that this story and the other...
story about the current religion being destroyed are really just different ways to meet the same goal?
So according to my lord, it should be the supreme god and the story of the world's creation?
The supreme god wants to eliminate the creation of the world, and so sealed the origin of the power of creation.
It is as you say, my lord
Clarimond's child, Huisheng, is the solution to this mystery.
We must take the secret from her!

Is it because King James Francis Sully used some method?
There hasn't been much action in heaven
The subordinates will pay attention to the people around Huisheng.
Very good!
Oh, yeah! Listen to the angels' voices, it's the First heaven.
Xiuli Yale! You already thought about it, didn't you?
The angels' voices have a very justified reputation.
Really? Haha!
Fortunately Xiuli Yale hasn't been confused.
Those voices of the angels are full of mysteries.

IF YOU FEEL THE VOICE IS BEAUTIFUL,
THEN YOU FEEL AS IF YOU'RE SAVED
BUT IF YOU FEEL THE VOICE GIVES YOU AN EVIL FEELING,
THEN — THAT VOICE WILL LEAD YOU ALL THE WAY TO HELL

ANYTHING CONCERNING ANGELS AND HEAVEN IS TOO MYSTERIOUS!
Huisheng, I'm home!
So tired! What kind of tea party was that?!
It would've been better if I stayed home!

HA!
AH HA!
NO WAY!
Strange! There seems to be many people at home.
Huisheng rarely brings people home.
AH?
Eh?
Why is there a foreigner?
?

Marcia! Don't run around! Li Jie is going to be back soon
You shouldn't scare her!
Li Jie?
Is it this person, Huisheng?
Your classmates are here to do homework?
Your class has Foreigners? So beautiful!
Ah? Yes, yes!
Alright, give this to them to eat.

Li Jie! You were so busy today. Please go rest.
Leave everything to me, please.
No need! You rarely have friends over,
Let me take care of the rest!
Huisheng is such an introverted girl. I used to worry about her not being able to make friends.
I guess there was no need to worry!
Wow! There are snacks!

YUMMY!
BUTTER COOKIES!
IT'S SO GOOD!
DELICIOUS!
Aren't you hot wearing that?
Ah?
You want me to take it off?
WAIT! PLEASE DON'T—
But...what does "warm" mean?
TAKE IT OFF...
Alright! I'll take it off!
CRASH
Should've known he wasn't wearing anything underneath.
Hee!

CLANG
Li Jie? What's wrong?
MALE
MALE
MALE
MALE
.....
It's over now! I wanted to ask Li Jie to take care of Marcia, now I need to hide him!
Oh, right! I saw something similar on the street!
What?
At that time, I didn't know why a woman screamed and fainted.
LET'S TRY IT!
I SAW SOMEONE CHASING PEOPLE LIKE THIS ON THE STREET IT LOOKED FUN!
WAH! WAH!

Don't learn those perverted things!
This Marcia must be crazy! And he's still so relaxed! Where would you stay tonight?
How do you do this problem?
Use the 8th Formula.
It looks like it doesn't work.
We're going home now! Thank you! Bye!
Can you climb up?
Heh hu!
Faked going home. Marcia is a stupid window-climbing angel
Huisheng, I'm so tired
Huha. Huha.*
Why must it be this complicated?
Who told you to do something that stupid before?

*T/N: He's breathing heavily due to exertion.
